June 2011-Volume Ten

Principal's Message

June has brought sunshine (finally!) and yet more cause for celebration. Our students continue to excel in all parts of school and community life. Take an extra moment and really soak in the contents of this newsletter. We are very proud of y/our kids!

Last weekend our Track and Field Team, coached by Tom Turnbull, Sheldon Gmitroski, Coach Rob and Coach Connor, went to the BC Championships and performed beyond expectations. Our nine participants earned a silver medal for overall team performance and a bronze for boys. Adam Keenan was named top male athlete after a transcendent meet as he took three gold medals. This is an exceptional result and is really a metaphor for who we are as a school. We are small...but we are mighty! Congratulations to our team and our coaches!

June is also a month where our minds begin to wander. Human nature does a curious thing to many as we see the finish line yet so often we slow down...and sometimes even stumble...just before we cross. We have encouraged our students to sprint through the last weeks of their school year. We are working with them to really focus on the final few days of classes and through their preparation for exams...finish strong!!

Finally, we honour our graduates Friday evening at UVic Centre. Grad is both an event which happens on an evening in June and is a (significant) part of the flow in our youths' lives. From their first hesitant steps in grade 9, to 7pm Friday night, our grade 12s have been preparing for this moment. We reflect on the journey we've been on with our Grads as they make their way to whatever is next on their path. We appreciate every moment we've shared and wish them well as they take a little bit of us with them. Fare well Grads of 2011!

YPI...Youth Philanthropy Initiative - \$5,000.00 to a local Charity!!

The Toskan Casale Foundation is working with select schools across Canada to promote philanthropic education and awareness.

This year our Planning 10 classes worked through a series of classes that had them identify a local charity, visit that charity to gain awareness of the work they do in the Greater Victoria community, plus have that charity answer the question 'what would you do with \$5,000.00?'.

The student groups then presented their findings to their classmates, with the top presentation moving to an afternoon of the best presentations from each of the classes. A panel of judges made up of students and teachers then selected the best presentation and that charity received a cheque for \$5,000.00.

This year's cheque went to the Mary Manning Centre, supporting children who have been abused, a big thank-you and congratulations to Tyler Vanderhayden and Jessica Almendares.

Unity and Compassion at Lambrick Park Secondary

It has been an amazing year of fundraising events, particularly for the Free the Children group at Lambrick Park. The goal this year was to top our \$8,500.00 goal of last year to build a school in Chismaute, Ecuador...our goal was reached by mid-May and Health Care in Chismaute is our focus!!

A committed group of LP students came together every Wednesday at lunch to plan and implement numerous events throughout the year. Regular weekly events rotated through the selling of Kapow Pops or popcorn at lunch.

Larger events included the *30 Hour Famine*, *Flowers 4 Freedom* and then *Freedom Fest Week* May 2nd – 6th. Freedom Fest included daily events for a week:

Monday - Vow of Silence: students gathered pledges to 'unplug' from electronic devices and remained silent for a day, supporting and bringing awareness to those children who do not have a voice due to their life circumstances.

Tuesday - Thriller Mash-up: all interested students and staff (175+) gathered in the gym to learn the Michael Jackson Thriller dance routine, we took this to the Library Hallway and have our efforts now on video. The power of the group and the building of community through this was fantastic!

Wednesday - Water Walk: 10 teams of 10 walked/raced in relay fashion around Gordon Head Middle School Campus, during the lunch break, with a 5 gallon bucket of water. Team themes were developed, all participants received a commemorative water bottle, prizes were awarded and each team raised \$200.00. This event was to raise awareness of the daily work the 'mamas'/ women do in countries where water is a scarce commodity.

Thursday – Flowers 4 Freedom: Students, sold in advance, amazing planters from Marigold Nursery, just in time for Mother's Day, this was the day for pick-up.

Thursday – Fiesta Bingo: An evening of Bingo, pizza and an amazing Silent Auction (thanks to our local businesses) for the Lambrick Family. A BIG thank-you to our Bingo callers Mr. Pitre and Ms. Weir...almost everybody went home with something.

Friday – Tape the Teacher to the Wall: with exploitation being the underlying theme Mr. Luchies, Ms. Trumpy, Mr. Kemp and Mr. Carter stood on benches, duct tape was sold ... 'Loonie for a Meter' for the entire lunch, the benches were removed and if all four 'stuck' then the students would earn an afternoon off prior to the long weekend. The students were 'generous' and not one of the teachers moved once the benches were taken away.

Throughout this year the
Lambrick Park Free the Children group raised
\$11,500.00!!

Lambrick Park Secondary School

Since October at Lambrick Park a small but enthusiastic group of young women have been working with Louise Milburn, Anishnaabe Traditional Teacher (who is a visitor here to Coast Salish Territory) on a number of activities designed to raise awareness of Aboriginal heritage.

As the group is only comprised of women, we have a unique opportunity to learn about women's teachings and have smudged, made medicine pouches, dream catchers, shakers (rattles), drums and drum sticks.

We learned about the teachings that the animals give us: grandmother spider reminds us of the connectedness of all things, the snail teaches us to slow down, the wolf teaches us to take care of our families.

These activities also taught us about patience and the inclusion of imperfections as we sometimes struggled to complete the task. We were mindful of our thoughts so only good energy would go into the finished products. We felt a sense of pride and accomplishment as we tried to embody Louise's sentiment that we are all on the Earth for two reasons: to learn and be helpers and that we are human beings first.

As always, we are grateful to Louise for sharing her traditional wisdom and knowledge and skills with us.

Gives direction and guidance to the Spirit.
Feel, Honour, and Act on that guidance,
Be all that you can be,
In love and joy

JUVE

In mid November twelve talented performers undertook a journey. It would include revising and updating the original material to make it more relevant for today's audiences. These young performers had to dig deep and explain not only the joy of youthful experiences, but the dark underbelly of pain and despair that is ever too present in many young people today. Through long hours of rehearsal and countless cups of coffee for Mr. Kemp, the message became clear: Society must not give up so that today's youth do not give up on themselves, in order to move forward to be active, positive participants in a world full of opportunity and support.

On behalf of the JUVE cast and crew, I would like to thank all those who supported the play by coming out to see it... even though it was hockey season.

This production wouldn't have been as good as it was without your help and support. The show took an emotional toll on the actors and crew and it would have been for nothing if you weren't there to appreciate the final product.

We hope to see you all next year!

Kathleen Preston

And in the end it's not the years in your life that count. It's the life in your years.
